BOULDER CITY VETERANS DANCIN' IN THE STREETS?

Boulder City, Nevada (Tuesday, June 13, 2006) – The Nevada State Veterans Home announced today that they will be the host of two performances by Re-Creation on June 23rd. The group's "Dancin' in the Streets!" stage show will entertain the Home's 165 residents at 10:00 a.m., and then again at 1:00 p.m. Residents and staff are delighted the group could make the Nevada State Veterans Home a stop on their national tour this year.

Re-Creation provides live entertainment to America's heroes who are hospitalized or who reside in state veterans homes across the country. The group's stage production, "Dancin' in the Streets!," will spotlight great songs and stars as America's young ambassadors to veterans perform this nation's best loved music. Dynamic vocal renditions come alive through intricate dance and disciplined choreography as the stage erupts with Re-Creation excitement!

The Home's Administrator, Gary Bermeosolo, said, "This is a particularly exciting event for us because these are young adults that have made it their business to make older veterans happy and smile. It's just amazing what they do and we are excited that they will be doing it on our stage!" He added that the Home is grateful to the local Boulder City Elks Lodge and the Hacienda Hotel for their efforts to make the show at the Home possible and for providing lodging.

The group, Re-Creation USA, was founded in 1976 and performs more than 300 concerts each year in all 50 states. Supported by the *Department of Veterans Affairs, Bowlers of America, Help Hospitalized Veterans, The Elks National Veterans Service Commission, and The Veterans Fund*, the group travels with comprehensive sound equipment and staging materials, insuring that each Re-Creation performance is a full variety production designed to provide unique and satisfying musical entertainment for our nation's heroes.

The Nevada State Veterans Home, a 180-bed facility, provides skilled nursing care to veterans, their spouses and gold star parents. The Home is dedicated to "Caring for America's Heroes."
